On October 21, 2022, the plaintiffs in this action submitted letter correspondence requesting that this Court proceed with the scheduled oral arguments. *See generally id.* In their correspondence, plaintiffs maintain this case is not moot, because: (1) the Circuit Court did not rule specifically on the constitutionality of the DATA's pass-through prohibition; (2) the State of Maryland has indicated its intent to appeal the Circuit Court's decision; and (3) plaintiffs remain uncertain about whether they may identify the estimated taxes paid under the DATA on an invoice or other customer statement. *Id.* at 1. And so, plaintiffs requests that the Court proceed with the scheduled oral arguments. *See id.*

In light of the foregoing, defendants shall **FILE** a status report **on or before October 31, 2022**, stating their views regarding whether the Court should proceed with the oral arguments scheduled to be held in this matter.

IT IS SO ORDERED.
